

Mission Statement

Christ Lutheran Preschool is dedicated to providing a stimulating environment that encourages each child to develop socially, academically, and spiritually. We empower the children we serve with trust and confidence by nurturing them in a loving, positive Christian environment.

School History

Christ Lutheran Preschool is a state licensed, non-profit school which has been serving the community since 1966. CLP is committed to providing a high quality education for all students in a safe, loving and enriched environment.

Staff

Our teachers have been carefully selected for their:

- Education in Child Development
- Experience working with young children
- Warm, caring, and positive attitude

In addition, all of our staff are CPR and First Aid certified and actively continue in ongoing teacher training. Our staff meets all of the state requirements as outlined in Title 22 including a fingerprint clearance and background check.

"The teachers are special because they teach the kids."
-Joshua

Parent Participation

Parents as partners in education are an integral aspect of our school community. Parental participation in the education process is a keynote of the Christ Lutheran Preschool philosophy and therefore is expected. We expect parents to do 20 hours of participation a year. CLP offers numerous and varying opportunities for meaningful involvement. It is the support and participation of parents that contribute to the ongoing growth and success of our school.

Curriculum

Our guiding principle is to help our students master the skills needed to succeed in school and in life. Our curriculum focuses on developmentally appropriate acquisition of knowledge through art, sensory, language arts, math, science, dramatic play, music & movement and occasional family homework activities. We acknowledge that "teachable moments" come up unexpectedly and our plans may change in order to accommodate these seemingly small, mundane moments because we feel they hold great potential for surprise, wonder, discovery and learning. Through the nurturing of mind, body, and spirit, our teachers guide children through their first educational experience creating a steadfast love of learning.

Chapel

Christian education is an integral part of the Christ Lutheran Preschool experience. Students participate in chapel on Wednesday and Thursday mornings with our Pastor and Music Director. Parents are invited to join us as we worship.

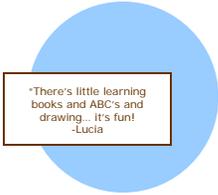

"At Chapel we sing songs and learn about the world... my favorite part is when we start praying!" -Noah

Admission

In accordance with applicable federal law and school policy, Christ Lutheran Preschool does not discriminate in any of its policies, procedures or practices on the basis of race, sex, color, religion, ancestry, or national origin. Children will be admitted that will benefit from our school and who are in acceptable physical and emotional health as determined by a Physician and the Director. CLP welcomes children ages six weeks through three years who are not toilet trained and children ages three through six years who are toilet trained.

School Hours

Full Day: 7:00 a.m. to 6:00 p.m.
Half Day: 8:45 a.m. to 12:30 p.m.

Philosophy & Goals

- We believe in having a balance of teacher and child-initiated activities.
- We believe activities should be appropriate for your child's level of development as well as challenge your child to move to the next level.
- We believe in developing the whole child. We facilitate cognitive, creative, social, emotional, physical, and spiritual growth of each child through hands-on, meaningful experiences.
- We believe a collaborative relationship between parents and staff is essential to the growth and development of each child.
